Step 1:
We need to verify your account. Enter your email address and click « Next ».

In case of an error message, please check the document "Why can’t I sign in?" in the Resources section in the Twic page.
Step 2: Once we have authenticated your account, we need to make sure that you are placed in the right institution.

a) If the right institution is shown, simply click on Sign up.

b) If not, click on field to open the drop down menu and select the right institution. Because some universities englobe many schools, for example a business school, school of science etc...; make sure to select the right one.

c) If you cannot see your school, use the « Contact us » for help.
Step 3: A verification email has been sent to the email address you provided. Check your inbox and click on the link to activate your account.
Step 4:
Open the email from « Twic Team » with the subject « Confirm your email » and click on « Activate your account »
Step 5: Create your account with some basic information. You can either:

a) fill out the form with your
   • Name
   • Last name
   • Password

b) Sign up with your LinkedIn credentials.
Step 6: Create your profile. The more you share the better the experience. It only takes a minute and can make a real difference.

Important: Note that the information collected are only used internally to provide a better service. Twicapp inc does not own the data, does not share nor sell them to third parties and does not allow any ads. Our primary concern is to deliver a safe and secure environment to our users and a high level of privacy.
A profile picture is always appreciated. Choose one that describes you best!
To make it easier for our users, we suggest a few skills that could be relevant to most. However, we can miss a few. Feel free to search or add a skill by typing in the field.

We require a minimum of two tags, but the more the better.
