	Central Region of Ghana, including the	
	Kakum National Park, Cape Coast and	
	Elmina slave castles, Coconut Grove etc.	

**Participants in the programme will form two groups coinciding with the major topics delivered from day 1 to 3. Each group will select a challenge of interest based on their thematic area and develop a solution to the challenge. The solution should be one that can attract impact funds. During the presentation session, members of the group will present their solution in the form of a pitch. The presentation will be graded based on the novelty of the solution and most importantly the market potential of the solution.
